INSURANCE COVERAGE

MEDICAL

We offer three health plan options from Blue Cross/Blue Shield, including two traditional plans with copays and a high deductible health plan. All three plans provide free routine preventative care services and access to a broad range of healthcare providers. On the Dreammaker plan, we also include telemedicine services, which give access to free physician consultation 24/7. **Our medical carrier is Blue Cross/Blue Shield.**

HEALTH SAVINGS ACCOUNT

An HSA is a tax-advantaged savings account for healthcare expenses available to you if you elect the Dreammaker health plan. The money in your HSA never expires and can be used for health, dental and vision expenses. **We will match your HSA contributions up to \$1,500 per year.**

Appropriate documentation (e.g., copy of death certificate) may be required upon return from this leave.

Employees must report for work whenever the court schedule permits.
