Susan Lephart
APRN, BC-ADM

HOMETOWN	Fairborn, Ohio
UNDERGRADUATE	Indiana Wesleyan University
MEDICAL SCHOOL	Wright State University
BOARD CERTIFIED	American Academy of Nurse Practitioners & Association of Diabetes Care and Education Specialists

“ ”

I believe in both the art and the science of medicine. Through careful listening and taking a thorough history, the practitioner and patient are able to develop a plan of care that works best for that patient. It is my goal that each time a patient leaves my office, they are somehow better off than when they came in.
