

# The Villages® Charter School

## When You Work for The Villages Health, Your Children are Eligible\* to Attend The Villages Charter School

When you start a career with The Villages Health, your whole family will reap the benefits.

The Villages® is proud to offer an elite, accredited K-12 charter school system to help prepare our employees' children for success. Over their 19-year history, The Villages Little Buffalo Learning Center, The Villages Early Childhood Center, The Villages Charter Elementary School, The Villages Charter Middle School and The Villages High School have **consistently outperformed other Florida schools by 10-20%**.

Talented, caring and certified instructors will provide your children with core classes in reading, math, science, social studies and writing, as well as an enriched curriculum including art, business and entrepreneurship, music, physical education and foreign languages. Advanced Placement and Dual Enrollment programs are also available. A wide variety of technology is available to students, teachers and parents to enhance the learning experience.
