A VIEW FROM THE VILLAGES HEALTH

Are you looking for a fulfilling career in health care? Look no further than The Villages Health, where we are committed to providing high-quality health care to residents of The Villages and surrounding communities.

Cheri Benedetti
COMMENTARY

As a comprehensive health care system, The Villages Health offers a wide range of career opportunities for health care and other professionals. We are currently seeking individuals who are dedicated to providing compassionate care with a passion for helping others.

At The Villages Health, we believe our team members are our greatest asset. We strive to create a positive and supportive workplace culture where everyone can thrive together, both professionally and personally.

Offering competitive benefits and compensation packages,

as well as opportunities for professional advancement and development, The Villages Health has something for nearly everyone looking for a career in health care.

If you know someone who would be a great fit for our team, we encourage you to refer them to us. We are always looking for talented individuals to join our organization.

We are currently hiring for a variety of positions, including physicians, advanced practice providers, care manager nurses, medical assistants and administrative staff. Whether you are at the beginning of your career in health care or are an experienced health care professional looking for a new opportunity, we have a position that may be right for you.

We work in a collaborative team-based environment where clinical and clerical staff are in constant communication to meet business needs, while promoting The Villages Health's mission, vision and core values, to keep people healthy and heal them quickly. In doing so, we are creating America's Healthiest Hometown.

To describe some opportunities:

» For physicians and advanced practice providers, we offer a supportive work environment where you can focus on patient care while we handle the administrative tasks. Our medical centers are equipped with state-of-the-art technology and our team-based approach ensures that our patients receive comprehensive, coordinated care.

» For clinical roles, we offer opportunities to work in a variety of settings, including primary care and specialty care. Our care management nurses are an essential part of our care team, providing collaborative care to our patients and helping them manage chronic conditions and illnesses to prevent hospital admissions and stays.

» For certified medical assistants, we offer opportunities to work alongside clinicians, assisting with patient care and administrative tasks. Our clinical assistants, along with our support staff, play a critical role in ensuring that our patients receive high-quality care. For these, and other roles, we

partner with local colleges and schools to provide a professional health care setting for administrative and clinical education to facilitate continued professional development, with the support of our leaders, clinicians and team members. Many of the students who have participated in these programs have found their forever health care career with The Villages Health. We still have room for growth and are welcoming more.

» For patient support operators, we offer opportunities to provide superior patient service with a friendly, positive attitude. Our patient support operators work in a high-volume shared services setting assisting patients with inquiries and questions.

» For administrative staff, we offer a wide variety of positions, including roles in finance, human resources, marketing, medical billing and coding, medical economics analyst and more. Our administrative staff members are essential to the smooth operation of

our organization and we are looking for individuals who are organized, detail-oriented and patient-focused.

At The Villages Health, we believe that everyone has the potential to make a positive difference in the lives of others. If you or someone you know is interested in joining our team, we encourage you to visit one of our hiring events at our Lake Deaton Care Center, the third Friday of each month from 10:30 a.m. to 1:30 p.m., or visit our website to learn more about our current openings at the villageshealth.com/careers.

You also can refer someone today at thevillageshealth.com/referrals.

Together, we can help our patients live active, healthy, fulfilling lives, so they can live out their dreams right here in America's Healthiest Hometown.

To become a patient of The Villages Health, visit us at the villageshealth.com or call 844-TVH-WELL (844-884-9355).

We look forward to hearing from you soon.

Cheri D. Benedetti, SHRM-SCP is the senior vice President, human resources officer for The Villages Health.
